THE BENEFITS OF BRINGING BRAIN REWIRING INTO YOUR CLINIC

- ✓ Add a structured, proprietary methodology to your existing toolkit
- ✓ Work with clients by integrating Eye-motional Processes™ alongside your current modality
- ✓ Support nervous system regulation with practical, repeatable protocols
- ✓ Deepen client outcomes with Brain Rewiring Homeplay© between sessions
- ✓ Differentiate your practice within a growing neuroscience industry
- ✓ Join the international, IICT-accredited practitioner community or add this to your existing insurance

THE METHODOLOGY

Learn a Complete Brain Rewiring Methodology

Unlike many coaching courses that focus primarily on communication techniques, the Level 1 Brain Rewiring Coaches Course teaches a complete practitioner methodology that can be confidently integrated into your existing professional practice.

WHAT YOU'LL LEARN & APPLY

Basic Muscle Testing

Develop confidence using practical muscle testing techniques to identify stress responses and support informed decision-making as a rewiring coach.

Eye-motional Processes™ Brain Rewiring Methods

Guide clients through structured brain rewiring sessions that encourage emotional awareness, mindset shifts and healthier neurological patterns.

Two Clinic Protocols

Gain practical experience delivering the Hidden Blocks Session© for single client sessions and the 4-Session Coaching Series© for deeper client work.

The 13 Eye-motional Processes™ Theories

From the conscious, subconscious and unconscious minds to negativity bias and reflective practice, explore the 13 core theories that underpin the Eye-motional Processes™ Coaching Methodology.

Client Homeplay©

Create personalised Brain Rewiring Homeplay© programs that reinforce healthier neural pathways between sessions and support client self-determination.

INCLUDED WITH YOUR TRAINING:

The Eye-motional Processes™ Brain Rewiring Toolkit for Clinic Use

- ✓ The Chart of Emotions©
- ✓ The 12 Eye Stress-Based Positions Clinic Chart©
- ✓ The 6 Brain Rewiring Processes©
- ✓ Tuning fork and activator
- ✓ Stress Diffusions Clinic Chart©
- ✓ Brain Rewiring Homeplay© methodologies
- ✓ Professional practitioner resources
- ✓ Theory and Practical Protocol Manuals

YOUR LEARNING JOURNEY

Enrol Any Time. Choose Your Live Intensive Dates.

- The Level 1 Brain Rewiring Coach Course accepts enrolments year-round.
- This 4-month part-time certification program is delivered across the following **four phases of learning:**

1 — Self-Paced Learning
Access the Coaches Portal and begin online lessons immediately after enrolment.

2 — Live Intensive Training
Choose the dates, times and delivery method that suit your location and schedule.

3 — Self-Paced Assessments
Engage with real-life case studies to demonstrate your competency applying the methodology.

4 — Monthly Tutorials
Three months of live online monthly tutorials that provide mentoring to prepare for certification.

Choose your preferred Phase 2 Live Intensive Training Dates from either:

October 2026 Live Intensive

8 x half-day sessions · 4pm–8.30pm

- ✓ 4pm – 8.30pm on 16–19 & 23–26 Oct 2026 (Brisbane, Australia time zone)
- ✓ 100% Live Online
- ✓ Immersive training format
- ✓ Morning learning for Europe/UK
- ✓ Evening learning for Australia

Find your October 2026 time zone **HERE** or QR →

April 2027 Live Intensive

4 x full-day sessions · 9am–6pm

- ✓ 9am – 6pm on 23–26 April 2027 (Brisbane, Australia time zone)
- ✓ Online or In-person (AUS. location TBA)
- ✓ Immersive training format
- ✓ Evening learning for United States
- ✓ All-day learning for Australia

Find your April 2027 time zone **HERE** or QR →

SAME COURSE, SAME OUTCOMES: *The only difference is the dates, times and format of the compulsory Live Intensives (Phase 2 Training), and the dates and times of online tutorials (Phase 4).*

60 hours over four months · Enrol at any time · Part-time study · Two live intensive trainings each year · International students welcome

THE LEVEL 1 COURSE CURRICULUM, PHASE BY PHASE

Your Complete Learning Journey

From Discovery to Certification

A structured learning pathway that gradually builds your confidence, practical skills and professional capability in Brain Rewiring methodologies and application.

PRE-COURSE PHASE

Explore Before You Enrol

Explore it first, at no cost.

Explore five introductory modules to discover whether the methodology is right for you, experience the teaching style, and sample a Brain Rewiring Homeplay© used in certification.

PHASE 1

Self-Paced Foundation Learning

Build your foundations at your pace.

Learn the Ethical Code of Conduct, core Brain Rewiring tools and the Eight R's© Framework. Get your Client Intake Pack and Brain Rewiring Homeplay© Toolkit.

PHASE 2

Live Integrative Intensive

Learn the Clinic Protocols.

Study the 13 underpinning theories, learn Basic Muscle Testing, the Hidden Blocks Session©, and the 4-Session Series© protocols. Apply the Eye-motional Processes™ Clinic Charts©.

PHASE 3

Applied Assessments & Case Studies

Practice your skills with real clients.

Complete competency assessments, define your professional niche, and deliver two Hidden Blocks Sessions© and a full 4-Session Coaching Series© with three different case study clients.

PHASE 4

Integration, Online Mentoring & Practice Development

Three live monthly tutorials support your certification journey.

Gain live monthly online mentoring with Amanda Lynne to deepen your skills in the Onion Layers of Healing© and advanced Hidden Blocks© techniques, then learn to implement Eye-motional Processes™ in your professional practice — including rewiring booking systems, website integration, and listing your brain rewiring services on the Eye-motional Processes™ website.

Five structured phases · One certified qualification · Your pace, your practice.

PROFESSIONAL CAPABILITY

What You'll Be Equipped to Deliver

Following successful completion of Level 1, you'll have the confidence and practical skills to integrate the Eye-motional Processes™ Brain Rewiring Methodology into your professional practice.

AS A CERTIFIED LEVEL 1 BRAIN REWIRING COACH, YOU'LL BE EQUIPPED TO:

- Conduct the Hidden Blocks Session©
- Deliver the 4-Session Coaching Series©
- Confidently use Basic Muscle Testing for rewiring purposes
- Apply Eye-motional Processes™ Brain Rewiring Methods
- Utilise the Brain Rewiring Toolkit© for Clinic and Home Use
- Create personalised Brain Rewiring Homeplay©
- Help clients identify and rewire hidden emotional patterns
- Facilitate structured, healthier emotional outcomes

YOUR CLIENTS WILL EXPERIENCE GREATER:

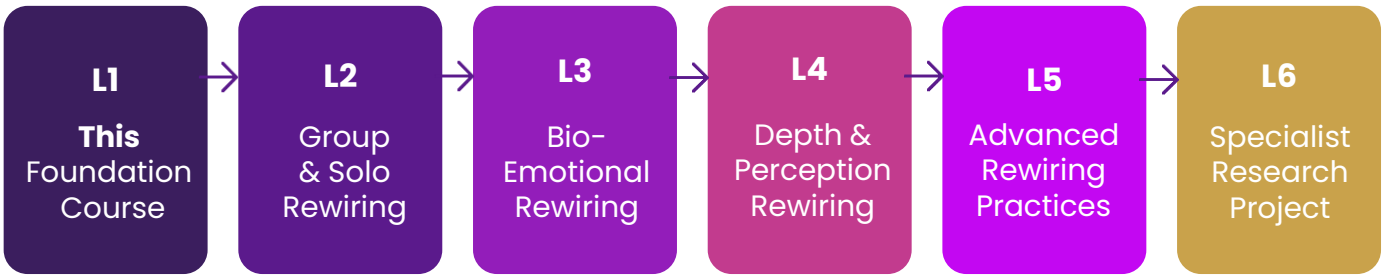
Emotional awareness | **Emotional regulation** | **Mindset flexibility**

Resilience | **Confidence** | **Self-understanding**

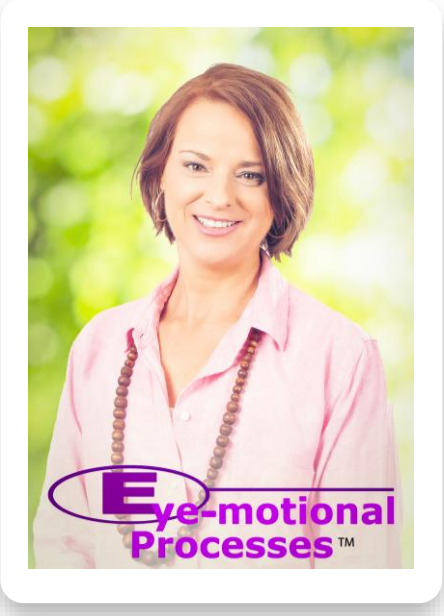
The Eye-motional Processes™ Brain Rewiring Coaches Training Journey

YOUR JOURNEY. YOUR CHOICE.

Complete Level 1 as a standalone qualification or continue through Levels 2–6 to deepen your expertise. There is no obligation to complete every level.



Progressive professional development — each level builds on the last.
Level 6 allows you to merge your existing skills with your Level 1 – 5 Rewiring Skills



AMANDA LYNNE

Founder & Creator of Eye-motional Processes™

25+ years of experience in education, kinesiology & personal development

ACCREDITED & RECOGNISED BY

- International Institute for Complementary Therapists (IICT)
- International Association of Specialised Kinesiologists (IASK)
- Australian Kinesiology Association (AKA)

> *When I created the Eye-motional Processes™ Academy, my vision was to provide existing practitioners with practical, structured brain rewiring tools that empower both practitioners and their clients. Whether you choose to complete Level 1 or continue through our full professional pathway, I look forward to welcoming you into our growing international community.*

MEET YOUR TRAINER

Learn From the Creator

Amanda Lynne is the founder of the Eye-motional Processes™ Academy and the creator of the internationally accredited Eye-motional Processes™ Brain Rewiring Methodology.

With more than 25 years of experience in education, kinesiology, wellbeing and personal development, Amanda has devoted her career to helping people understand the connections between emotional stress, behavioural traits and lasting personal transformation.

She holds a Bachelor of Education from the University of Melbourne and has completed extensive studies across multiple kinesiology disciplines — bringing together education, practitioner training, and neuroscience-informed approaches into a single structured professional methodology.

Amanda's vision is to equip practitioners with practical, evidence-informed tools that can be confidently integrated into existing professional practice to support meaningful emotional change. Today, she trains practitioners internationally through the Eye-motional Processes™ Academy and continues to expand the Eye-motional Processes™ Brain Rewiring professional training pathway through Levels 1–6.

WHY LEARN DIRECTLY FROM THE CREATOR?

- ✓ Learn this trauma-informed rewiring methodology exactly as it was designed.
- ✓ Benefit from 25+ years of education and practitioner experience.
- ✓ Receive practical guidance throughout your certification journey.
- ✓ Join a growing international community of certified brain rewiring practitioners.
